EXPERIENCE

Portland Webworks

Freelance Senior Designer
Portland, ME
Fall 2014 - Present

I create compelling web design for clients across the country ranging from state governments to local private agencies. I also do a lot of internal web and print based work for them.

Freelance

Senior Designer
Philadelphia, PA
Summer 2012 - Fall 2014

I've worked with agencies like Red Tettemer, Evoke Health, Digitas Health, and other personal clients on a wide range of web and print related design projects.

Wonderful Machine

Senior Designer
Conshohocken, PA
Summer 2008 - Summer 2012

Oversaw the production of all web and print related design for the company. I also did graphic design consulting for photographers all over the world.

160over90
